

Good Beer Guide Selection (2020)

The Mansfield & Ashfield branch of CAMRA has an allocation of 14 places in the Good Beer Guide for Nottinghamshire entries and 3 for Derbyshire entries. The top 10 places for Nottinghamshire and the top 2 for Derbyshire have automatically been filled using the previous 12 months of scoring provided through the National Beer Scoring System. The 4 remaining places for Nottinghamshire and 1 for Derbyshire will be filled by the fringe pubs that did not quite make the automatic places by means of a vote.

Any CAMRA member can vote but for your vote to be valid you MUST have submitted a score for that pub between 10th January 2018 to 9th January 2019.

Any forms submitted without a name, membership number and signature will be considered invalid.

Electronic submissions should be emailed to pubsofficer@mansfield.camra.org.uk.

Voting will close at 8pm on Tuesday 26th February 2019.

Votes should be cast on the basis of beer quality only.
